

Passionate about Identity & Access Management? Join us and work on modern IAM solutions.

Ventum is an international technology and management consulting company with offices across Austria, Germany, Poland, and China. We support organizations in their digital transformation by combining strategic consulting with modern technology solutions.

As part of the group, **Ventum Digital Identity Services** focuses on Identity & Access Management and cybersecurity solutions for enterprise clients.

To strengthen our growing team in Poland, we are looking for an IAM Consultant / Systems Engineer with a focus on MidPoint.

IAM Consultant / Systems Engineer (MidPoint)

As an IAM Consultant, you will work on the design and implementation of Identity and Access Management (IAM) solutions for enterprise clients. You will collaborate with international teams and support customers in building secure and scalable identity management architectures.

You will work remotely from Poland, while collaborating closely with our international IAM team.

Your Responsibilities

- Design and implementation of Identity & Access Management (IAM) solutions
- Configuration and customization of the MidPoint platform
- Integration of IAM systems with enterprise applications and directories (e.g., Active Directory, APIs)
- Implementation of identity lifecycle processes (Joiner–Mover–Leaver)
- Development of role and access governance models

Your Profile

- Degree in Computer Science, Information Systems, or a related technical field
- Experience in Identity & Access Management projects
- Solid knowledge of Java
- Experience with IAM technologies (MidPoint is a strong advantage)
- Understanding of system integrations (LDAP, REST APIs, directories)
- Experience with agile software development is beneficial

- Troubleshooting and optimization of IAM environments
- Collaboration with clients and internal teams on IAM architecture and solution design
- Participation in IAM implementation projects across different industries
- Strong analytical and problem-solving skills
- Ability to communicate effectively with technical and non-technical stakeholders

Languages:

Polish – required

English – required

German – nice to have

What We Offer

- Fully remote position within Poland
- Work in an international IAM expert team
- Participation in complex enterprise IAM projects
- Modern equipment and flexible working environment
- Regular team meet-ups once per month
- Onboarding in our Vienna headquarters (up to 4 weeks) to get to know the team and projects
- Edenred meal vouchers
- Sports card
- Private health insurance
- Additional company holidays between December 24 and January 1
- Attractive salary based on experience and qualifications
- Opportunities for professional and career development

Apply now and send us your CV

Please also include your salary expectations and earliest possible starting date.

Diverse for best results:

Ventum Consulting stands for equal opportunities and diversity. We welcome and value all applications regardless of gender, nationality, ethnic or social background, or any other individual characteristics.
